OFFERING

This stunning, fully renovated 5-unit multi-family property is a rare investment opportunity in Esplanade Ridge, one of New Orleans' most desirable neighborhoods, situated on a high topographical ridge steps from Esplanade Ave. A short walk to Jazz Fest, Pagoda Cafe, and the best of Mid-City and the Marigny. Pro-forma gross revenue of \$88,200. Originally built in 1855 and substantially renovated in 2015-2016. Located in Flood Zone X (minimal flood risk) with a detached one-car garage.

The asset consists of two structures on a spacious 7,682 sq ft corner lot: the main house at 2001 Laharpe Street / 1549 N. Johnson Street (4 units, 5,157 sq ft) and a charming detached 1-bedroom/1-bath cottage at 2007 Laharpe St. Apt. Lower, historically a "summer kitchen" outbuilding, now a fully renovated standalone unit. Four units are currently occupied and generating \$5,600/month (\$67,200 annually); the 3BD/2BA unit at 1549 N. Johnson is intentionally vacant at \$1,750/month, offering a buyer flexibility to occupy or lease. With all 5 units leased at market rate, pro-forma revenue reaches \$88,200 annually.

Inside, the renovation delivers contemporary living with modern kitchens, updated bathrooms, and quality finishes that respect the building's historic roots while providing turnkey appeal for today's tenants. The property has attained/retained legal, non-confirming status.
